**ADDENDUM # 2**

March 9, 2018

The following question was received.

Question:

“Would Square D equipment be acceptable as opposed to Allen-Bradly?”

Engineer’s Response:

For ease of operation, maintenance, and consistency in plant equipment, this Allen-Bradley Power Flex 755 will match the recently installed VFD. Therefore, no substitutions will be allowed. See Specification 26 29 23 Part 2 Products.

All Bidders shall acknowledge receipt and acceptance of this Addendum No. 2 by acknowledging addendum in their proposal or by submitting the addendum with the bid package. Bids submitted without acknowledgement or without this addendum may be considered non-responsive.
