

City of Key West  
 Port Advisory Board  
 Waterfront Master Plan  
 Port Facilities Questionnaire

1. What are the five (or more) top strategic issues facing the Port of Key West in the next five years?

2. Which of the following facilities do you consider to be Port facilities? Do you consider them to be administered by the City or by others? Please add additional facilities if necessary.

Facility	Port Facility? (yes/no)	Administered by City? (yes/no)
Mole Pier (Truman Waterfront)		
East Quay Wall (Truman Waterfront)		
NOAA facility (Truman Waterfront)		
Navy berthing areas (Truman Waterfront)		
Pier B		
Cruise Ship anchorage		
Mallory Dock		
Key West Bight Ferry Terminal		
Key West Bight (overall)		
Coast Guard docks		
Other		

3. What is your overall vision for the Port over the next ten years?

4. What type of port operations (cruise, ferries, bulk cargo, transshipment, etc) do you envision - or not envision -- at the Port of Key West?

5. Are there any significant changes in the industry for which the Port needs to prepare in the next five years?

6. What are the top three (or more) environmental concerns at the Port today and in the next five years?

7. What major infrastructure improvements (capital items of \$100,000 or more) do you foresee for the Port in the next five years?

8. What major impacts/benefits does the Port have on the harbor and surrounding waters?

9. What major impacts/benefits does the Port have on landside facilities?

 Waterfront Master Plan  
 Waterfront Questionnaire

1. What are the five (or more) top strategic issues facing the City's waterfront in the next five years?

2. Which of the following facilities do you consider to be waterfront facilities that should be addressed in the Master Plan? Please add additional facilities if necessary.

Facility	Waterfront Facility? (yes/no)
Key West Bight	
Garrison Bight	
City Marina	
Mooring Field	
Mallory Square	
Harbor Walk	
Various privately-operated marinas	
Beaches	
White Street Pier	
Boat Ramps	

3. What is your overall vision for the City's waterfront over the next ten years?

4. What type of marine facilities (marinas, harbor walks, anchorages, waterfront-related industrial/commercial facilities) do you envision - or not envision - in Key West?

5. Are there any significant changes in the marine industry for which the Port needs to prepare in the next five years?

6. What are the top three (or more) environmental or community concerns on the waterfront today and in the next five years?

7. What major infrastructure improvements (capital items of \$100,000 or more) do you foresee along the waterfront in the next five years?

8. What major impacts/benefits do marine facilities have on the harbor and surrounding waters?

9. What major impacts/benefits do marine facilities have on landside facilities?
