The Chairman called the meeting to order at 3:06 p.m.

Chairman Jimmy Weekley reminded everyone who is present that the Resolution was withdrawn from the agenda and that a new Resolution will be presented to the City Commission at a later date.

Chairman Jimmy Weekley gave a brief update to the two new attendees on how the Duval Street Committee became a meeting and what the Committee has done.

Chairman Jimmy Weekley stated that he believes Francine Bolduc as set a meeting for the merchant regarding the Upper Duval Street Closure on November 15, 2008.

Chairman Weekley asked if everyone had a chance to read the Mission Statement and if everyone is satisfied with the way it reads. After a brief discussion and some suggestion and changes the Mission Statement was accepted and it reads like this:

The mission of the Duval Street Committee is to improve the aesthetic attractiveness, pedestrian friendliness to our residents and visitors, ecological responsiveness and overall business climate of Duval Street, the premier social and economic corridor of Key West.

There were several discussions concerning recycling on Duval Street, Flexi Pave (recycled tire mulch and the truck ordinance).

The next meeting was set for Wednesday, November 19, 2008 at 3:00 p.m. at 525 Angela Street in the ADA Conference Room.

Vivian Perez mentioned to the Committee that she would not be able to attend that meeting but that will find someone to attend and take the minutes.

The meeting ended at 3:25 p.m.

(Recordings of the meetings are maintained with the Executive Aide to the Mayor and Commissioners)
