

PEDESTRIAN/ BYCYCLE ACCESS

What

PLEASE BE AWARE that the North Roosevelt Boulevard promenade is now **CLOSED**. Pedestrians and bicyclists are being rerouted to a designated ped/bicycle path between the two inbound traffic lanes and the construction zone. The ped/bicycle lane is in effect for the entire length of the project.

Please Note

The promenade has been closed for the safety of the public because of the heavy machinery that will be working on the seawall and the roadway.

Please Remember

Please read and obey all signage regarding the construction area. It is now a trespassing violation to use the promenade, but more importantly it is for your safety.

We appreciate your cooperation during this project, and apologize for any inconvenience this may cause. Schedule subject to change due to weather, etc.
