Dear Chief Lee,

Please accept my apologies, as I am a little late in writing this letter which is in regard to the BoneIslandTri Iron-Distance Triathlon that took place on January 12, 2013.

The reason for my letter is to commend you and your Staff for the outstanding support the event received, not only during the day of the event, but in the weeks leading up to the event and even the days and weeks after the event. There are just too many examples of outstanding support to mention in one letter! Although many of your officers have helped our event tremendously (Capt. Smith and Steve Torrence in the lead) I would like to specifically mention Officer Donnie Barrios.

Donnie took the lead in helping organize and plan the police support for the event and overwhelmingly on race-day to execute the plan and improvise as needed. Donnie went above and beyond, patrolling the entire scope of the event on the island from prior to its beginning at the swim start 0700 hours at Smathers Beach until its end when the last runner crossed the finish line at 0000 hours at the Truman Waterfront Park. It was a long day for your team to say the least. We could not thank Donnie Barrios enough for the many times he went from location to location to re-assign supporting officers or handle community concerns. Donnie single-handedly stepped in making our event a success for all concerned (both in the community as well as the athletes participating) and we could not be more impressed with the way he represented the City!

Chief Lee, the crew we worked with is one of the most experienced triathlon production teams in the world. They have repeatedly mentioned to me since the event that they have never been a part of a first time event of this magnitude that went so smoothly. I would be remiss not to write this letter to you to mention how grateful I am to you and your staff!

On behalf of the entire team from Setup Events and Questor Multisport, Please consider a commendation for Donnie Barrios. He has the highest recommendation from all of the crew at BoneIslandTri!

Thank you so much for your consideration,
