

### **What is the Land and Water Conservation Fund Program?**

LWCF is a competitive program which provides grants for acquisition or development of land for public outdoor recreation use. It gives extra points for projects that include access to or use of water bodies.

### **How is LWCF Administered?**

Florida's Department of Environmental Protection (DEP), Division of Recreation and Parks, Bureau of Design and Recreation Services, administers the program on behalf of the U.S. Department of the Interior, National Park Service. The Program is governed according to Florida Statutes, Administrative Code and the LWCF Grants Manual.

### **What is the Maximum Grant Amount?**

The maximum grant amount will be announced prior to the submission period.

### **What is the LWCF Matching Ratio?**

The matching ratio is one applicant dollar to one federal dollar for all LWCF grant awards (50% / 50%).

### **How are LWCF Grants Awarded?**

Each application is reviewed to determine eligibility. The Bureau of Design and Recreation Services evaluates each eligible application according to the Florida Administrative Code and the LWCF Manual, and assigns a final score.
