Dear Chief Lee,

Barb and I wanted to write directly to you to thank your department for an awesome experience as a member of the Key West Ambassador Program, Class 21. We had the opportunity to "ride along" with two of your Officers on September 21st. I rode with Officer Alex Rodriguez and my wife rode with Officer Darnell Sealey. We were very impressed with the Officers professionalism, dedication and pride in the work they do. We were exposed to multiple Law Enforcement situations during our ride including: 911 calls, domestic disturbances, traffic stops, homeless encounters, an injury accident, and a DUI. The two Officers were outstanding representatives of your force and dealt with all these situations in a superb manner. We were most impressed by their ability to remain calm and professional even when faced with the stressful calls we responded to. If these two officers are a reflection of your entire department we feel proud and honored to be a member of this community and truly appreciate the efforts to "Serve and Protect Paradise" you and your entire department do every day to keep us safe.

Sincerely,

Chris Myers
