Residential Parking Permit Application

Applicants will need a valid Driver’s License, Vehicle Registration and Proof of Residency to complete this application. If registering commercial vehicles, a Key West Business License is also required.

A Residential Parking Permit allows an eligible vehicle to park in specially marked residential parking spaces in the Historic District.

Eligible vehicles are registered to:

- Residents of the City of Key West
- Key West real estate property owners
- Military personnel stationed in Key West Area
- Seasonal residents who reside in the City of Key West for four months or longer
- Businesses that hold a Business Tax Receipt (Business License) with the City of Key West

The annual registration permit fee is \$10.00 and permits need to be renewed every October. Fees are intended to cover the cost of issuance and are not refundable or prorated. Permit decals are the sole property of the City of Key West and are not intended for resale or transferable. All other parking regulations remain unaffected by this permit program. For example, no boat, trailer, RV, or vehicle over 20 feet in length, is allowed to park on-street or in municipal lots. Additionally, all vehicles parked on-street must be moved every 72 hours (3 days) per existing City Code.
