This addendum is issued as supplemental information to the bid package for clarification of certain matters of both a general and a technical nature. The referenced bid package is hereby addended in accordance with the following items:

ITB Questions Submitted

1. We attended the pre bid for this project and intend to bid the work but I'm a little confused by some of the requirements and forms. One of the forms was a Local Vendor Form that states the contractor must be within 30 miles of the boundaries of the city. Did I read that correct? Our branch is in Ft. Lauderdale but not within 30 miles.

Yes, to receive local vendor preference you must live within 30 miles of Key West.

2. "The Bidder shall furnish documentation showing that he is in compliance with the licensing requirements of the provisions of Chapter 66 Section 87 of the Code of Ordinances of the City of Key West; within 10 days the following the Notice of Award and must demonstrate that he holds at a minimum, the following licenses & certificates;

A. City of Key West Business Tax License Receipt

B. A valid Certificate of Competency issued by the Chief Building Official of Key West, Florida."

We are a Certified State License Roofing Contractors and our Local Business Tax Receipt is from Miami Dade County. Please clarify if the above requirement applies or only the License Contractor requirement applies.

Please see the email response from our Licensing department:

Since job exceeds 30 days in length, applicant will need to comply with Chapter 66 and obtain local business license – after they win the bid. Please ask contractor to contact my office.

All Bidders shall acknowledge receipt and acceptance of this Addendum No. 1 by submitting the addendum with their proposal. Proposals submitted without acknowledgement or without this Addendum may be considered non-responsive.
