

FOR IMMEDIATE RELEASE:

**City of Key West Seeks Public Input on Land Development Regulations Update
Two-day workshop to be held September 2nd and 3rd
6:00pm – 8:00pm at the Eco-Discovery Center in Truman Waterfront Park**

The City of Key West Planning and Zoning Department will host a 2-day public workshop on September 2nd and 3rd at the Eco-Discovery Center in Truman Waterfront Park focusing on updates to the City's Land Development Regulations (LDR). The updates are required by State law in order to be consistent with the most recent update to the City's Comprehensive Plan, which occurred in 2013.

Wednesday's workshop will focus on landscape, signage, and urban design, while Thursday's workshop will address green building, adaptation planning and disaster planning.

The cornerstone of the work of updating the LDR will be the contribution of the general public to the drafting process. The City encourages all stakeholders and interested persons to participate in this LDR update.

The City of Key West Land Development Regulations Update workshop will take place on Wednesday, September 2nd and Thursday, September 3rd from 6:00 PM to 8:00PM at the Eco-Discovery Center in Truman Waterfront Park, 35 East Quay Road in Key West. For further information call 305-809-3720 or email KeyWestLDR@cgasolutions.com. You may also visit the project information web page at keywest.cgasolutions.com

Members of the City of Key West's Boards, Committees, HARC, Tree and City Commissions may be in attendance. ADA Assistance: It is the policy of the City of Key West to comply with all requirements of the American Disabilities Act (ADA). Please call the TTY numbers 1-800-955-8771 (TTY), 1-800-955-8770 (Voice) or the ADA Coordinator at 305-809-3731 at least five business days in advance for sign language interpreters, assistive listening device, or materials in accessible format.
